**To Whom It May Concern:**

We have professionally known Hamdy Ahmed Mohamed Rashed who works as Accounts Supervisor in Oil Search (ROY) Ltd, and we would like to issue this recommendation for the following reason:

in 2007, Hamdy improved the Statement of Expenditures (SOE) Reporting package that requested by the Ministry of Oil and Minerals (MOM) on quarterly basis which he redesigned the reports to be more understandable, and relevant for information users, therefore, MOM liked to circulates his report as standard report and urge all Oil Exploration Companies operated in Yemen to use his standard SOE report.

We thank Hamdy for improving the SOE reporting package and wish him all the best in his future endeavors.

This recommendation is issued per his request.

Sincerely,

Dr. Saeed Al-Shamasi
